Community Benefit Highlights**

Health Care Providers

Expanded capacity to care for the community by recruiting a physician assistant and contracted with an additional general surgeon, increasing surgical care provision from a baseline of 12 days annually to 19 days.

Behavioral Health

Senior Life Solutions brought together seniors for group therapy, education and support. Annual Behavioral Health visits increased 16% (106 visits).

Awarded Lutheran Social Services of Minnesota a \$6,000 Community Health Improvement Grant to improve access to food for low-income seniors.
